

A fundraiser for things people don't like to talk about.

November 12, 2015  
7:00 PM to 10:00 PM  
Amberwood Golf Course

## SPONSORSHIP OPPORTUNITIES

What do The Canadian Continence Foundation and Voice Found have in common?

Both are organizations that work tirelessly on issues that most people prefer not to talk about and certainly never at a cocktail party!

Raising money for causes is challenging at the best of times.  
Raising funds for organizations dealing with taboo topics is that much harder.

With this in mind, we present to you 'Clear the Room Cocktail Party' - everything you ever wanted in a cocktail party and more. The evening will be light-hearted, entertaining and most importantly will not have people scurrying away when the reason for the event is discussed. Why? Because we will focus on the positive outcomes that donations provide; people living full, happy lives and getting the support they need

## THE CAUSES

Founded in 2011, Voice Found is committed to preventing child sexual abuse through education and awareness and proactively supporting the healing and recovery of individuals and communities from the health, financial and emotional impacts of that abuse.

Founded in 1996, The Canadian Continence Foundation enhances the quality of life for people experiencing incontinence by helping, them and/or their caregivers, to confidently seek and access cures and treatment options.
